Right Bank: #8369676, 8069492,
9080512, 8074274 & 8379666

Left Bank: #8369677, 8069433,
9080513, 8074273 & 8379667

Quality Assurance

- Remanufactured to meet or exceed OEM specifications.
- One year warranty on all EngineAir products.
- All blowers are upgraded to the 645E type, utilizing high flow front end bearings.
- All rotors are dynamically balanced to 1/2 ounce inch, 50% more accurate than OEM requirements.
- All housings are pressure tested to eliminate leaks during operation.
- All blowers are run tested on a custom made test stand prior to shipping to insure proper operation in the field.

**Represented by
JMA Railroad Supply Company**
